

WHEN WE GIVE AS ONE, WE CHANGE THE REALITY OF MANY

Who would you turn to if every day was a struggle? If you couldn't afford housing, or childcare, or the medicines you need?

Who would you turn to if your life seemed to fall apart? If you lost your job or needed help for an elderly parent?

For many in our community, these “what-ifs” are reality. Fortunately, **United Way of the Southern Tier** supports a strong network of services to help neighbors in need.
