

Write a legally valid will and create a lasting legacy with United Way of the Southern Tier

WHY DO I NEED A WILL?

Everyone should have an estate plan to support their future and protect what they love. A will (or revocable trust) is the best way to:

- Protect the people, pets and communities you love
- Save your family stress and complications by giving exact instructions on how to handle your estate
- Start a legacy with United Way of the Southern Tier to support children, senior citizens, and families in need.

HOW DOES FREEWILL HELP?

FreeWill's self-help solutions for common estate planning needs help you create a legal will completely free of charge, and make it easy to create other important estate planning documents so you are prepared for your future. FreeWill can also be paired with an attorney for more complex needs.

If you choose to create a legacy with United Way of the Southern Tier, you can easily add the necessary language in your will to memorialize your gift intentions.
